### **Best of Clark County – Martial Arts School**

Moy Martial Arts & Tai Chi Academy was voted Runner-Up in the 2015 *Best of Clark County – Martial Arts School*. This is a reader poll conducted by the Columbian newspaper.

This is the second year that we've received this award.

Thank You to all the students and parents for your trust and support!

### **Tuition Rate Increase**

Moy Martial Arts & Tai Chi Academy has not had a tuition increase since 2013.

Unfortunately, due to constantly increasing operating expenses we have to raise our rates.

As a courtesy to current students, we'd like to give you an opportunity to freeze your current tuition rate.

**Rates will increase by \$5 per month, per student beginning in July.** But, during the months of May and June 2015 you may sign up for a new 12-month program at your current tuition rate by paying a down payment on your new program. This will freeze your tuition for that program length. This down payment may be spread over 3 months.

If you're already on a 12-month program, your current rate will not change. But, you may add an additional 12 months at your current rate.

If you're currently on a monthly or 3-month program, you may enroll in a 12-month program and receive the reduced rate.

### **School Calendar, Facebook**

### **Construction Area**

As you can see, the property owners are building a new warehouse across from the school. They expect to be done within 6 weeks.

Parking may be a little messy until completion. Park in the area across from the school, but please don't block the sections that are coned or roped off.

Parking on the street is ok except for the side that has No Parking signs.

Parking is also available on the south side of the building.

Please don't park in front of any of the cargo bays, except for ours.

Parents – you're welcome to drop your child off for class and run errands.

All kids must be told by parent to wait inside the school until you come in to get them. This especially applies to younger kids that have a tendency to run across the parking lot without looking. There's a lot of traffic due to commercial and construction vehicles.

Your patience is appreciated.

### **\$25 Referral Gift**

#### **Thank You for your Referrals!**

You will receive \$25 when you refer someone that enrolls in our **4-Week New Student Trial Program**. A \$25 check will be issued upon completion of their four weeks.

Pick up some business cards at the desk. Thank you for being supportive of Moy's Academy!
